the City in an amount sufficient to pay the annual interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes at maturity?

PART 3. The Proposition will appear on the official ballot in substantially the following form, and the ballot shall be prepared to permit voting "for" or "against" the Proposition:

PROPOSITION

The issuance of \$720,000,000 transportation and mobility improvement bonds and notes for improvements to Loop 360 corridor, Spicewood Springs Road, Old Bee Caves Road Bridge, Anderson Mill Road, intersection of RM 620 and RM 2222, Parmer Lane, North Lamar Boulevard, Burnet Road, Airport Boulevard, East Martin Luther King Jr. Boulevard/FM 969, South Lamar Boulevard, East Riverside Drive, Guadalupe Street, Slaughter Lane, William Cannon Drive, Rundberg Lane, East Colony Park Loop Road, South Congress Avenue, Manchaca and South Pleasant Valley Road; sidewalks, Safe Routes to School, urban trails, bikeways, fatality reduction strategies, and the following local mobility substandard streets/capital renewal projects: Falwell Lane, William Cannon Overpass Bridge, FM 1626, Cooper Lane, Ross Road, Circle S Road, Rutledge Spur, Davis Lane, Latta Drive/Brush Country, Johnny Morris Road, and Brodie Lane; and the levy of a tax sufficient to pay for the bonds and notes.

PART 4. Pursuant to Section 3.009, Texas Election Code: (i) the Proposition language that will appear on the ballot is set forth in Part 3, (ii) the purposes for which the bonds and notes are to be authorized are set forth in Part 2, (iii) the principal amount of bonds and notes to be authorized is set forth in Part 2, (iv) if the issuance of bonds and notes is authorized by voters, taxes sufficient, within the limits prescribed by law, to pay the annual principal of and interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes may be imposed, as set forth in Part 2, (v) bonds and notes authorized pursuant to this ordinance may be issued to mature over not to exceed 40 years from their date of issuance and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the Council, (vi) as of the beginning of the City's current fiscal year, the aggregate amount of outstanding principal of the City's debt obligations was \$1,302,730,000, and the aggregate amount of outstanding interest on the City's debt obligations was \$485,909,029.50, and (vii) the City's ad valorem debt service tax rate as of the date of adoption of this ordinance is \$0.1062 per \$100 of taxable property.

Based upon market conditions as of the date of this ordinance and using taxable assessed values for the 2015 tax year (2015/16 fiscal year), without adjustment for anticipated growth in taxable assessed value in future years, if the bonds and notes

are authorized, the estimated total tax rate of the City is expected to be approximately \$0.5339 per \$100 of taxable assessed value (which represents an increase of \$0.0750 per \$100 taxable assessed valuation as compared to the City's total tax rate as of the date of adoption of this ordinance), based on current State law, which is subject to change. As was presented to Council, applying the assumptions used in the General Obligation Bond Capacity Analysis dated June 1, 2016, which includes forecasted growth in taxable assessed value, City financial staff has determined that, if the bonds and notes are authorized, the City's total tax rate would increase by an estimated \$0.0225 per \$100 of taxable assessed valuation (as compared to the City's total tax rate as of the date of adoption of this ordinance). If the bonds and notes are authorized, actual tax rates will depend upon, among other factors, the assessed valuation of taxable property, prevailing interest rates, the market for the City's bonds and notes and general market conditions at the time that bonds and notes are issued.

The estimated tax rates and other statements contained in this Part 4 are (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds and notes), (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds and notes are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to give rise to a contract with voters or limit the authority of the Council to issue bonds and notes in accordance with the Proposition submitted herein.

PART 5. The precincts and locations of the election day polling places; the dates, hours, and locations of the early voting places; and the names of the officers appointed to conduct the election are provided in Exhibits A-G attached and incorporated as a part of this ordinance.

PART 6. A direct electronic recording voting system, as the term is defined in Title 8 of the Texas Election Code, shall be used for early voting and for voting conducted on election day. The central counting station is established at the Travis County Elections Division, 5501 Airport Boulevard, Austin, Texas.

PART 7. (i) Notice of the elections shall be given by posting and publishing a copy of this ordinance in both English and Spanish. A copy of this ordinance shall be posted, in both English and Spanish, in three public places and at the City Hall notice kiosk not later than the 21st day before election day. The posting at City Hall shall be accompanied by a cover page, at the top of which shall appear the words "NOTICE OF A MUNICIPAL GENERAL AND SPECIAL ELECTION, NOVEMBER 8,

PARTE 3. La Proposición se presentará en la boleta oficial sustancialmente en la siguiente forma y la boleta será preparada para posibilitar que se vote "a favor" o "en contra" de la Proposición:

PROPOSICIÓN

La emisión de \$720,000,000 en bonos y pagarés para mejoras de transportación y movilidad al corredor Loop 360, Spicewood Springs Road, el puente Old Bee Caves Road Bridge, Anderson Mill Road, intersección de RM 620 y RM 2222, Parmer Lane, Lamar Boulevard Norte, Burnet Road, Airport Boulevard, Martin Luther King Jr. Boulevard Este/FM 969, Lamar Boulevard Sur, Riverside Drive Este, Guadalupe Street, Slaughter Lane, William Cannon Drive, Rundberg Lane, Colony Park Loop Road Este, Congress Avenue Sur, Manchaca y Pleasant Valley Road Sur; banquetas/aceras, rutas seguras hacia las escuelas, senderos urbanos, ciclovías, estrategias para reducir fatalidades, y mejorar la movilidad local de las siguientes calles de calidad inferior/proyectos de renovación capital: Falwell Lane, William Cannon Overpass Bridge, FM 1626, Cooper Lane, Ross Road, Circle S Road, Rutledge Spur, Davis Lane, Latta Drive/Brush Country, Johnny Morris Road, y Brodie Lane; y la imposición de impuestos suficientes para pagar los bonos y pagarés.

PARTE 4. De acuerdo con la Sección 3.009, Código Electoral de Texas: (i) el lenguaje de la proposición que aparecerá en la boleta está detallado en la Parte 3 de lo presente, (ii) los propósitos para cuales los bonos y pagarés están autorizados están detallados en la Parte 2, (iii) la cantidad principal de los bonos y pagarés que serán autorizados está detallada en la Parte 2, (iv) si la emisión de bonos y pagarés es autorizada por los votantes, se podrían imponer impuestos que sean suficientes, dentro de los límites instituidos por ley, para pagar el principal anual y el interés de dichos bonos y pagarés y para proporcionar un fondo de amortización para pagar dichos bonos y pagarés, de acuerdo con lo detallados en el Parte 2, (v) los bonos y pagarés autorizados de acuerdo con esta ordenanza se emitirán con vencimiento que no exceda 40 años de su fecha de emisión y que rédito o réditos de interés (no excedan 15%), de acuerdo con la autorización por ley, y con la determinación del Consejo, (vi) a principios del año fiscal actual de la Ciudad, la cantidad pendiente del principal de la deuda de la Ciudad era \$1,302,730,000, y la cantidad total de interés pendiente en la deuda la Ciudad era

\$485,909,029.50, y (vii) la tasa de impuestos para pagar el servicio de la deuda ad valorem de la Ciudad cuando esta ordenanza se aprobó era \$0.1062 por \$100 de valor imponible de propiedades.

Basado en las condiciones del Mercado en la fecha de esta ordenanza, y usando los asesoramientos de valor imponible para el año impositivo de 2015 (año fiscal 2015/16), sin ajustarse para aumentos anticipados en valores de asesoramientos impositivos en años futuros, si los bonos y pagarés son autorizados, el estimado del cálculo total de la tasa imponible de la Ciudad se anticipa ser aproximadamente \$0.5339 por \$100 de valuación en asesoramiento imponible (que representa un aumento de \$0.0750 por \$100 de valoración en asesoramiento imponible comparado con la tasa imponible total de la Ciudad a la fecha de adopción de esta ordenanza), basado en la ley estatal actual, sujeta a cambiar. De acuerdo con la presentación al Consejo, que aplica las suposiciones usadas en el Análisis de la Capacidad de Bonos de Obligación General con fecha del 1 de junio, 2016, que incluye pronósticos del crecimiento en los valores de asesoramiento en propiedades imponibles, el personal de finanzas de la Ciudad ha determinado que si los bonos y pagarés son autorizados, la tasa total imponible de la Ciudad aumentaría aproximadamente \$0.0225 por \$100 de valor de asesoramiento en la propiedad imponible (comparado con la tasa total imponible de la Ciudad en la fecha de la adopción de esta ordenanza). Si los bonos y pagarés son autorizados, las tasas imponibles dependerían, entre otros factores, en el asesoramiento de valoración de la propiedad imponible, la tasa de interés prevalente, en el mercado para los bonos y pagarés de la Ciudad, y en condiciones generales del mercado cuando los bonos y pagarés se emitan.

Las tasas estimadas de impuestos y otras declaraciones contenidas en esta Parte 4 son (i) basadas en ciertas suposiciones (incluyendo suposiciones concernientes a las condiciones del mercado y económicas prevalentes cuando se lleve a cabo la emisión(es) de los bonos y pagarés), (ii) que son sujetas a cambiar de acuerdo con la diferencia entre los hechos en sí, circunstancias y condiciones prevalentes cuando los bonos y pagarés se emitan y la realidad de las suposiciones y proyecciones, (iii) esto se provee para cumplir con requisitos de la Sección 3.009, del Código Electoral de Texas, sin dar garantía de que dichas proyecciones se realicen, y (iv) no se intenta alcanzar el nivel de un contrato con los votantes ni de limitar la autoridad del Consejo para emitir bonos y pagarés de acuerdo con la Proposición sometida en lo presente.

PARTE 5. Los precintos y lugares de los sitios de votación el día de la elección; las horas, fechas, y sitios de la votación adelantada; y los nombres de los oficiales nombrados para efectuar la elección se indican en los Adjuntos A-G que van adjuntos a lo presente y que se incorporan como parte de esta ordenanza.

PARTE 6. Un sistema electrónico indicador directo de la votación, de acuerdo a la definición del término en el Título 8 del Código Electoral de Texas se usará para la

votación adelantada y en la votación el día de la elección. La Estación Central Para Contar Votos se ubicará en Travis County Elections Division, 5501 Airport Boulevard, Austin, Texas.

PARTE 7. (i) El aviso de esta elección se hará fijando y publicando una copia de esta ordenanza, en ambos idiomas, inglés y español. Una copia de esta ordenanza se fijarán en ambos idiomas, inglés y español en tres lugares públicos y en el kiosco de avisos en el Edificio Municipal (City Hall), a no más tardar del día 21 antes del día de la elección. La ordenanza fijada en el Edificio Municipal llevará una página enfrente, con el encabezado impreso con las palabras, "AVISO DE UNA ELECCIÓN GENERAL MUNICIPAL Y ELECCIÓN ESPECIAL, 8 de NOVIEMBRE, 2016." El aviso de esta elección será publicado en fecha que no sea anterior del 30vo día antes de la fecha de la elección en un periódico de circulación general en el mismo día en dos semanas sucesivas, y la primera publicación no deberá ser antes del día 14 anterior a la fecha de la elección.

(ii) La copia de esta ordenanza será fijada, en ambos, inglés y español, el día de la elección y durante la votación adelantada en persona, en un lugar visible en cada sitio de votación.

(iii) Esta ordenanza será fijada en el sitio web de la Ciudad, en ambos inglés y español, en el plazo de veintiún (21) antes de la elección.

PARTE 8. De acuerdo con el Capítulo 271 del Código Electoral de Texas, la elección municipal del 8 de noviembre, 2016 se podría llevar a cabo junto con varias subdivisiones políticas que comparten territorio con la Ciudad de Austin, y que estén efectuando elecciones en ese día. El/la Secretario/a de la Ciudad puede tramitar y firmar convenios electorales con otras subdivisiones políticas para este propósito y por lo presente se aprueban los términos indicados en dichos convenios.

CONTRACT FOR ELECTION SERVICES

THIS CONTRACT FOR ELECTION SERVICES (this "Contract") is made and entered into by and between ELECTIONS ADMINISTRATOR OF HAYS COUNTY, TEXAS ("Contracting Officer"), and CITY OF AUSTIN FULL PURPOSE (the "District"), pursuant to the authority under §31.092(a) of the Texas Election Code.

RECITALS

WHEREAS, the District expects to call an election to be held on November 8 7, 2016 (the "Election");

WHEREAS, the District desires that certain election services for the Election be provided by the Contracting Officer pursuant to Chapter 31, Subchapter D of the Texas Election Code; and

WHEREAS, the Contracting Officer and the District desire to enter into a contract setting out the respective responsibilities of the parties;

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth, the parties to this Contract agree as follows with respect to the coordination, supervision, and running of the Election:

I. PURPOSE; SCOPE; APPOINTMENT.

A. The purpose of this Contract is to maintain consistency and accessibility in voting practices, polling places, and election procedures in order to best assist the voters of the District. For purposes of this Contract, the term "Election" will include any resulting recount, or election contest. If a run-off is necessary, the District will work with the Contracting Officer to determine a mutually acceptable run-off date.

B. The Contracting Officer is hereby appointed to serve as the District's Election Officer and Early Voting Clerk to conduct the Election for those areas of the District located in Hays County. As District's Election Officer and Early Voting Clerk, the Contracting Officer will coordinate, supervise, and conduct all aspects of administering voting in connection with the Election in compliance with all applicable law, except as otherwise provided in this Contract.

II. RESPONSIBILITIES OF CONTRACTING OFFICER. The Contracting Officer shall be responsible for performing the following services and furnishing the following materials and equipment in connection with the Election:

A. *Nomination of Presiding Judges and Alternate Judges.* Contracting Officer will recruit and appoint all election workers. Such proposed presiding judges and alternate judges shall meet the eligibility requirements in Subchapter C of Chapter 32 of the Texas Election Code.

B. *Notification to District.* Contracting Officer will provide District with the most up-to-date list of early voting polling places, election day polling places, and presiding and alternate judges three weeks before the statutory deadline to order the election and again three weeks before election day. District acknowledges that the information provided may not be final or complete.

C. *Notification to Presiding and Alternate Judges; Appointment of Clerks.*

1. The Contracting Officer shall notify each presiding judge and alternate judge of his or her appointment. The notification will also include the assigned polling location, the date of the

election school(s), the date and time of the election, the rate of compensation, the number of election clerks the presiding judge may appoint, the eligibility requirements for election workers, and the name of the presiding or alternate judge, as appropriate. The Contracting Officer shall notify each of the election judges and alternates of their appointment and to the selection of election day clerks. Included in this notification will be the number of clerks that each precinct can appoint in addition to the election judge and alternate judge. The election judge is responsible for recruiting and supervising their clerks. Notification to the election judges and alternates shall be made no later than October 1, 2016 unless the Contracting Officer appoints a judge after this date.

2. The Contracting Officer shall ensure that the presiding judges make the appropriate election clerk appointments and notify the clerks of such appointments. The presiding election judge of each polling place, however, will use his or her discretion to determine when additional manpower is needed during peak voting hours. The Contracting Officer will determine the number of clerks to work on the Balloting Board.

D. Contracting with Third Parties. In accordance with §31.098 of the Texas Election Code, the Contracting Officer is authorized to contract with third persons for election services and supplies. The actual cost of such third-person services and supplies will be paid by the Contracting Officer and reimbursed by the District.

E. Election School(s). The Contracting Officer shall be responsible for conducting one or more, in his or her discretion, election schools to train the presiding judges and alternate judges in the conduct of elections, including qualifying voters, provisional voting, and the counting of ballots. The Contracting Officer shall determine the date, time, and place for such school(s) and notify the presiding judges and alternate judges of such. The Contracting Officer may hold the election school(s) on a Saturday in order to increase its availability to election workers who are employed during the regular work week. If at all possible, such election schools shall be conducted within the District's territory.

F. Election Supplies. The Contracting Officer shall procure, prepare, and distribute to the presiding judges for use at the polling locations on election day (and to the early voting clerks during early voting) the following election supplies: election kits (including the appropriate envelopes, sample ballots, lists, forms, name tags, posters, and signage described in Chapters 51, 61, and 62, and Subchapter B of Chapter 66 of the Texas Election Code), pens, pencils, tape, markers, paper clips, ballot box seals, sample ballots, tacks, and all consumable-type office supplies necessary to hold an election.

G. Registered Voter List. The Contracting Officer shall provide all lists of registered voters required for use on election day and for the early voting period required by law. The election day list of registered voters shall be arranged in alphabetical order by each precinct.

H. Direct Recording Electronic Voting Devices "(DREs)". The Contracting Officer shall provide, at each polling location, at least one voting station with a voting system that: (i) fully complies with applicable law relating to accessible voting systems which make voting accessible for disabled voters; and (ii) provides a practical and effective means for voters with physical disabilities to cast a secret ballot.

I. Election Equipment. Contracting Officer will procure, prepare, and distribute election equipment.

J. Ballots. The Contracting Officer shall be responsible for the preparation, printing, programming, and distribution of ballots and sample ballots, provided that the District will prepare the text of such ballots as set forth in Section III.C. below. Without limiting the

foregoing, the Contracting Officer will be responsible for the programming of the direct recording electronic voting devices (referred to as DREs) and the printing of ballots requested by mail. The Contracting Officer shall be responsible for distributing the DREs along with the election supplies. In addition, the Contracting Officer will prepare the paper, optical, and auditory ballots for the election. The ballots shall be in English with the Spanish translation included.

K. *Early Voting.* In accordance with §§31.096 and 31.097(b) of the Texas Election Code, the Contracting Officer will serve as Early Voting Clerk for the election.

1. The Contracting Officer shall supervise and conduct early voting by mail and personal appearance and shall secure personnel to serve as Early Voting Deputies.

2. Early voting by personal appearance for the election shall be conducted during the hours and time period and at the locations as determined by the Contracting Officer.

3. The Contracting Officer shall receive mail ballot applications on behalf of the District. All applications for mail ballots shall be processed in accordance with Title 7 of the Texas Election Code by the Contracting Officer or his/her deputies at 712 S. Stagecoach Trail, Suite 1045 San Marcos, TX 78666. Applications for mail ballots erroneously mailed to the District shall be faxed as promptly as possible to the Contracting Officer for timely processing. The original application shall then be forwarded to the Contracting Officer for proper retention.

4. Early voting ballots cast by personal appearance shall be secured and maintained at 712 S. Stagecoach Trail, Suite 1045 San Marcos, TX 78666-7751 and in accordance with Chapter 87 of the Texas Election Code. The Early Voting Ballot Board shall meet at 712 S. Stagecoach Trail, Suite 1045 San Marcos, TX 78666 on November 3, 2014.

L. *Election Day Polling Locations.* The election day polling locations are determined by the Contracting Officer. The Contracting Officer shall arrange for the use of all election day polling places and shall arrange for the setting up of all polling locations for election day, including ensuring that each polling location has the necessary tables, chairs, and voting booths. The District understands that the cost of services to be rendered by the Contracting Officer includes a pro rata share of any fees charged by the entity providing the poll site and the cost of all employee services required to provide access, security, or custodial services for the polling location(s).

M. *Ballot Tabulation.* The Early Voting Ballot Board shall be responsible for handling ballot tabulation in accordance with statutory requirements and county policies, under the auspices of the Contracting Officer, and will, thereafter, transport all election records to the Contracting Officer.

N. *Manual Counting.* The Contracting Officer shall conduct a manual count as prescribed by §127.201 of the Texas Election Code and submit a written report to the District in a timely manner. The Secretary of State may waive this requirement. If applicable, a written report shall be submitted to the Secretary of State as required by §127.201(E) of the aforementioned code.

O. *Election Reports.* The Contracting Officer shall prepare the unofficial and official tabulation of precinct results under §66.056(a) of the Texas Election Code and shall provide a copy of the tabulation to the Travis County Central Counting Station as soon as possible after the Contracting Officer has received the precinct returns on election day night.

P. *Custodian of Voted Ballots.* The Contracting Officer is hereby appointed the custodian of voted ballots and shall preserve them in accordance with Chapter 66 of the Texas Election

Code and other applicable law. After complying with the retention period, the Contracting Officer shall forward election material, including voted ballots, to the District, if requested.

Q. *Schedule for Performance of Services.* The Contracting Officer will perform all election services in accordance and compliance with the time requirements set out in the Texas Election Code.

R. *Compensation of Election Workers.* The Contracting Officer will compensate all election workers, including election day and early voting judges and clerks and judges for election night and early voting returns, in accordance with the Contracting Officer's established compensation policies.

S. *Pre-Clearance.* Each of the Participating Entities shall be individually responsible for obtaining appropriate preclearance, if necessary, from the United States Department of Justice. The Contracting Officer will provide the District with information on changes affecting the District's election, such as polling place changes and changes in voting equipment, when such changes are confirmed, verified, or otherwise become known to him or his office.

III. RESPONSIBILITIES OF THE DISTRICT. The District shall assume the following responsibilities:

A. *Applications for Mail Ballots.* The District shall date stamp and then as promptly as possible fax to the Contracting Officer all applications for mail ballots that it receives. Promptly thereafter, the District shall deliver or send by mail the original mail ballot applications to the Contracting Officer.

The District shall also provide approval once the Contracting Officer submits it for review by e-mail or by signature in person.

ATTEST:

JOINT ELECTION AGREEMENT FOR NOVEMBER 8, 2016 ELECTIONS

Travis County (the "County") will be conducting general and special election for the Participating Entities listed in Exhibit A, which is attached to and incorporated into this agreement, on November 8, 2016. The Participating Entities require elections to be held on November 8, 2016 in those portions of Travis County as shown on the maps and metes and bounds descriptions in Exhibit B, also attached to and incorporated into this agreement.

Under Section 271.002, Texas Election Code, Texas's political subdivisions are authorized to hold elections jointly in voting precincts that common polling places can serve, if two or more political subdivisions' authorities order elections to be held on the same day in all or part of the same territory. And Texas Government Code Chapter 791 authorizes local governments to contract with one another and with state agencies for various governmental functions, including those in which the contracting parties are mutually interested.

It would benefit the County, the Participating Entities, and their respective citizens and voters to hold the elections jointly in the election precincts that common polling places can serve. Thus, the County and the Participating Entities enter into this joint election agreement.

I. Scope of Joint Election Agreement

This agreement covers conducting the November 8, 2016 Joint General and Special Elections for the parties to this agreement to be held on November 8, 2016. The County and the Entities will hold these elections on November 8, 2016 ("Election Day") jointly for the voters in those portions of Travis County identified on the maps and descriptions in Exhibit B.

II. Election Officer

The Participating Entities hereby appoint the Travis County Clerk, the election officer for Travis County, as the election officer to perform or supervise the County's duties and responsibilities involved in conducting the joint election covered by this agreement.

III. Early Voting

Each of the Participating Entities agrees to conduct its early voting jointly. Each of the Participating Entities appoints the Travis County Clerk, the early voting clerk for Travis County, as the early voting clerk for the joint election. Early voting for the Participating Entities will be conducted at the dates, times, and locations to be mutually agreed upon by the election officer and authorized and ordered by the governing body of each Participating Entity.

A. County Responsibilities

1. The County will provide to the governing body of each Participating Entity a list of places, times, and dates of early voting suitable for consideration and adoption by the governing body, under Texas Election Code chapter 85.

2. The Travis County Clerk, as the early voting clerk, will be responsible for conducting early voting by mail and by personal appearance for all Travis County voters voting in the joint election. The Travis County Clerk will receive from each Participating Entity's regular early voting clerk applications for early voting ballots to be voted by mail, under Texas Election Code Title 7. The Travis County Clerk will send early voting ballots by mail and receive early voting ballots for early voting by mail. And the Travis County Clerk may appoint such deputy early voting clerks as necessary to assist the Travis County Clerk with voting to take place at the early voting locations.

3. The County will determine the number of election workers to hire to conduct early voting in the joint election. The Travis County Clerk will arrange or contract for training for all election workers and will assign all election workers employed for early voting in the joint election. The training of these election workers is mandatory; these individuals will be compensated for their time in training. The County will provide a training facility for election schools to train election workers employed in conducting early voting, including the mobile early voting program, early voting by personal appearance at main and temporary branch early voting polling places, early voting by mail, and other aspects of the early voting program for the joint election. The County will name early voting deputies and clerks employed to conduct early voting.

4. The County will provide and deliver all supplies and equipment necessary to conduct early voting for the joint election, including ballots, election forms, any necessary ramps, utility hook-ups, signs, registration lists and ballot boxes, to early voting polling places. The County will designate and confirm all early voting polling place locations.

5. The County will be responsible for preparing and transporting the electronic voting equipment necessary to conduct early voting. The County will perform all tests of voting equipment as required, including posting notice of equipment testing.

6. Under Election Code sections 66.058 and 271.010, the Participating Entities appoint the Travis County Clerk as the joint custodian of records for the sole purpose of preserving all voted ballots securely in a locked room in the locked ballot boxes for the preservation period that the Election Code requires.

7. The County will receive ballot language in both English and Spanish from each Participating Entity and format the ballots as needed to include these languages. The County will provide each Participating Entity with a final proof of ballot language for approval before printing the ballots. Upon final proof approval, ballots will be printed in an expedited timeframe so as to allow ballot allocations for the Early Voting by Personal Appearance Program, and the ballot mail outs for the Early Voting by Mail Program.

8. A single joint voter sign-in process consisting of a common list of registered voters, and common signature rosters will be used for early voting. A single, combined ballot and single ballot box will be used. The County will use an electronic voting system, as defined and described in Texas Election Code Title 8, and agrees to use ballots that are compatible with such equipment.

9. The County will be responsible for conducting the Early Voting Ballot Board. The County will designate a person to serve as the presiding judge for the Early Voting Ballot Board and will provide that information to the governing body of each Participating Entity for entry of an order by that authority appointing this official. The County will submit an invoice to each Participating Entity for the balance of the Participating Entity's actual joint election expenses upon the election's completion. Joint-election expenses include expenses for facilities, personnel, supplies, and training that the County actually incurs for establishing and operating all early voting and election-day activities at the polling place in the joint election territory as well as activities related to tabulating votes, all as reflected on the Cost Estimate. Each Participating Entity will pay the total amount of its invoice within thirty (30) days of receiving it.
- B. In the event of a recount, the expense of the recount will be borne by the Participating Entity involved in the recount on a pro-rata basis.

D. In the event there are any expenses associated with processing a ballot arising from a write-in candidate, the Participating Entity that received the declaration will bear the expenses.

E. A Participating Entity that establishes an early voting polling place, other than one that was mutually agreed upon by all Participating Entities, will bear the expense of doing so. 1. The Participating Entities acknowledge and agree that Exhibits A, B, and C may be amended to add or remove entities wishing to participate or cease participating in the agreement. C. Force Majeure

In the event that the County cannot perform any of its obligations in this agreement or is interrupted or delayed by any occurrence not occasioned by its own conduct, whether it be an act of God, the result of war, riot, civil commotion, sovereign conduct, or like reason, then the County will be excused from performing for such period of time as is reasonably necessary after such occurrence to remedy its effects.

D. Venue and Choice of Law

The Participating Entities agree that venue for any dispute arising under this agreement will lie in the appropriate courts of Austin, Travis County, Texas. This agreement is governed by and construed under the laws of Texas and the United States of America.

THIS Joint Election Agreement and Contract for Election Services ("Contract") is made by and between the Williamson County Elections Administrator ("Elections Administrator") and political subdivisions ("Participating Authority" or "Participating Authorities") located entirely or partially inside the boundaries of Williamson County. The complete list of Participating Authorities will be available after the final day to cancel an election as prescribed by the Secretary of State's election calendar and will be listed as Attachment A.

This Contract is made pursuant to Texas Election Code Sections 31.092 and 271.002 and Texas Education Code Section 11.0581 for a joint election to be held on the uniform election date of November 8, 2016, and administered by, Christopher Davis, Williamson County Elections Administrator. This Contract supersedes any and all prior contracts and agreements to conduct joint elections between a Participating Authority and the Williamson County Elections Office.

RECITALS

WHEREAS, each Participating Authority listed above plans to hold an election on November 8, 2016;

WHEREAS, Williamson County owns an electronic voting system, the Election System and Software (ES&S) Ivotronic/M100/M650 Voting System (Version 3.0.1.1), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The Participating Authorities desire to use Williamson County's electronic voting system, to compensate Williamson County for such use, and to share in certain other expenses connected with joint elections, in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended, and

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED, as follows:

I. ADMINISTRATION

The Participating Authorities agree to hold a "Joint Election" with Williamson County and each other in accordance with Chapter 271 of the Texas Election Code and this Contract. The Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this Contract. Each Participating Authority agrees to pay the Elections Administrator for equipment, programming, election personnel, supplies, services, and administrative costs as provided in this Contract. The Elections Administrator shall serve as the Election Officer for the Joint Election; however, each Participating Authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each Participating Authority as necessary.

It is understood that other political subdivisions and districts may wish to participate in the use of Williamson County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes, on terms and conditions generally similar to those set forth in this Contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this Contract.

II. LEGAL DOCUMENTS

Each Participating Authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or the Participating Authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting equipment testing notices that are required by the Texas Election Code. Election orders should include language that would not necessitate amending the order if any of the Early Voting and/or Election Day polling places change.

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each Participating Authority, including providing the text in English and Spanish. Each Participating Authority shall provide a copy of their respective election orders and notices to the Elections Administrator.

III. VOTING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Election Day voting locations. Voting locations shall be compliant with the accessibility requirements established by Election Code Section 43.034 and the Americans with Disabilities Act (ADA). The proposed Election Day voting locations are listed in Attachment B of this Contract and may be amended. In the event a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location. The Elections Administrator shall notify the Participating Authorities of any changes from the locations listed in Attachment B.

If polling places for the November 8, 2016 Joint Election are different from the polling place(s) used by a Participating Authority in its most recent election, the Participating Authority agrees to post a notice no later than November 8, 2016 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and listing the Participating Authority's polling place names and addresses in effect for the November 8, 2016 election. This notice shall be written in both the English and Spanish languages.

IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

The Elections Administrator will recruit all election workers.

The Elections Administrator will take the necessary steps to insure that all election judges appointed for the Joint Election are eligible to serve and meet the eligibility requirements in Subchapter C of Chapter 32 of the Texas Election Code and meet any requirements to serve as an Election Worker set forth by the Williamson County Commissioners Court.

The Elections Administrator shall arrange for the training and compensation of all election judges, clerks, and election personnel. The notice from the Elections Administrator will include the time and location of training and distribution of election supplies and the number of election clerks the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Williamson County pursuant to Texas Election Code Section 32.091. The election judge, or his designee, will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

The compensation rates established by Williamson County are:

Election poll workers will be paid a flat fee of \$25.00, one time annually (per calendar year) for 100% completion of the Williamson County online poll worker training program.

The Elections Administrator may employ other personnel as necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies during Early Voting and on Election Day, for the efficient tabulation of ballots at the central counting station, and for the post-election processes conducted by warehouse personnel. Part-time personnel working in support of the Early Voting Ballot Board and/or central counting station on Election Night will be compensated at the hourly rate set by Williamson County in accordance with Election Code Sections 87.005, 127.004, and 127.006.

In accordance with Sec. 31.098 of the Texas Election Code, the Elections Administrator is authorized to contract with third persons for election services and supplies. The actual cost of such third-person services and supplies will be paid by the Elections Administrator and reimbursed by the Participating Authorities.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, Williamson County's electronic voting system and equipment, official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. The Elections Administrator shall ensure availability of tables and chairs at each polling place and shall procure rented tables and chairs for those polling places that do not have a sufficient number of tables and/or chairs. The Elections Administrator shall be responsible for conducting all required testing of the electronic equipment, as required by Chapters 127 and 129 of the Texas Election Code.

Joint participants shall share voting equipment and supplies to the extent possible. A single ballot containing all the offices or propositions stating measures to be voted on at a particular polling place may be used in a joint election. A voter may not be permitted to select a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each Participating Authority shall furnish the Elections Administrator with a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles of offices and text in both English and Spanish languages). The Participating Authorities are required to submit information in a format or template requested by the Elections Office. Each Participating Authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions. Each Participating Authority shall also be responsible for proofing and approving the audio recording of the ballot insofar as it pertains to that authority's candidates and/or propositions.

In the event a Participating Authority identifies an error after approval of their respective ballot proof(s), and any programming and/or audio files require changes, the Participating Authority approving the original ballot and audio proof will be responsible for the full cost of reprogramming, if required. This will include the cost of reprogramming ballot language and/or audio files for other Participating Authorities as necessary due to software limitations.

Early Voting by Personal Appearance and/or the use of Vote Centers, Texas Election Code Section 43.007, on Election Day shall be conducted exclusively on Williamson County's Ivotronic electronic voting system. Provisional ballots will be cast on paper ballots.

Deputy Early Voting clerks who are permanent employees of the Williamson County Elections Administrator may be paid from the election services contract fund for contractual duties performed outside of normal business hours (Sec. 31.100(e), Texas Election Code).

Early Voting by personal appearance will be held at the locations, dates, and times listed in Attachment C of this document and may be amended. The Elections Administrator shall notify the Participating Authorities of any changes from the locations listed in Attachment C. Any Williamson County qualified voter of the Joint Election may vote early by personal appearance at any one of the joint Early Voting locations.

1. **Share of Election Costs.** Each Participating Authority's share of election costs will be (i) a base fee of \$1,000.00, (ii) plus a pro rata share of the total of all costs incurred by the Elections Administrator in connection with the administration of elections of other entities held at the same time as the election. The sum of the base charges from all Participating Authorities will be subtracted from the total of all costs before allocating the remaining costs to each Participating Authority. Each Participating Authority's share of the remaining (allocated) costs will be determined as follows: The number of registered voters in each individual Participating Authority will be divided by the number of all registered voters of all Participating Authorities to determine each entity's pro rata share expressed as a percentage, which will then be multiplied against each of the allocated costs (remaining costs after base charges are subtracted) as itemized on the final Total Cost report/invoice submitted to each Participating Authority after the election. The end result will be a charge to the Participating Authority of \$1,000.00 plus the Participating Authority's allocated share of county-wide election costs not covered by the sum of all base fees received.

2. **Lease of Voting Equipment.** Per Texas Election Code Section 123.032(d), the Williamson County Commissioners Court has established the following prices for leasing county-owned voting equipment:

- \$309.50 per ADA IVotronic DRE;
- \$250.00 per IVotronic DRE;
- \$85.00 per IVotronic printer;
- \$274.43 per electronic pollbook

The Participating Authority's share of voting equipment costs will be determined on a pro rata basis. Leasing cost will be calculated once for the Early Voting period and once for Election Day. If the County acquires additional equipment, different voting equipment, or upgrades existing equipment during the term of this Contract, the charge for the use of the equipment may be reset by the Williamson County Commissioners Court.

3. **Administrative Fee.** Each Participating Authority agrees to pay the Williamson County Elections Administrator an administrative fee equal to ten percent (10%) of its total billable costs in accordance with Section 31.100(d) of the Texas Election Code.

The Elections Administrator shall deposit all funds payable under this Contract into the appropriate fund(s) within the Williamson County treasury in accordance with Election Code Section 31.100.

XII. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

Any Participating Authority may withdraw from this Contract and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053 of the Texas Election Code.

XIII. RECORDS OF THE ELECTION

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each Participating Authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. The election records shall be stored at the offices of the Elections Administrator or at an alternate facility used for storage of County records. The Elections Administrator shall ensure that the records are maintained in an orderly manner so that the records are clearly identifiable and retrievable.

Records of the election shall be retained and disposed of in accordance with the provisions of Section 66.058 of the Texas Election Code. If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each Participating Authority to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or open records request which may be filed with the Participating Authority.

XIV. RECOUNTS OR CONTESTED ELECTION

A recount may be obtained as provided by Title 13 of the Texas Election Code. By signing this document, the presiding officer of the contracting Participating Authority agrees that any recount shall take place at the offices of the Elections Administrator or at a location of the Elections Administrator's choosing, and that the Elections Administrator shall serve as Recount Supervisor and the Participating Authority's official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.

In the event of a contested election, the expenses of a new election ordered by a court of competent jurisdiction or Participating Authority will be paid for and by the Participating Authority in accordance with Texas Election Code 221.014

The Elections Administrator agrees to provide advisory services to each Participating Authority as necessary to conduct a proper recount.

XV. MISCELLANEOUS PROVISIONS

1. The Elections Administrator shall file copies of this document with the Williamson County Treasurer and the Williamson County Auditor in accordance with Section 31.099 of the Texas Election Code.
2. Nothing in this Contract prevents any party from taking appropriate legal action against any other party and/or other election personnel for a breach of this Contract or a violation of the Texas Election Code.
3. This Contract shall be construed under and in accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Williamson County, Texas.
4. In the event that one of more of the provisions contained in this Contract shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
5. All parties shall comply with all applicable laws, ordinances, and codes of the State of Texas, all local governments, and any other entities with local jurisdiction.
6. The waiver by any party of a breach of any provision of this Contract shall not operate as or be construed as a waiver of any subsequent breach.
7. Any amendments of this Contract shall be of no effect unless in writing and signed by all parties hereto.
8. Participating Authority agrees to act in good faith in the performance of this agreement, and shall immediately contact and notify the Elections Administrator of any potential problems or issues relevant to the subject matter of this contract.

XVI. COST ESTIMATES AND DEPOSIT OF FUNDS

The total *estimated* cost for the November 8, 2016 election is \$700,000.00 and is based partly on the cost of the November 4, 2014 joint general special elections. After the final determination has been made of whom the Participating Authorities will be and the Contracts are fully executed, the Elections Administrator shall provide each Participating Authority with an official cost estimate. Each Participating Authority's percent share of the estimated total cost is based on the number of registered voters and further described in Section XI.1. of this Contract. Each Participating Authority agrees to pay the Williamson County Elections Administrator a deposit of 50% of the *estimated obligation* no later than 15 days after receiving the official cost estimate. As soon as reasonably possible after the election, the Elections Administrator will submit an itemized invoice to each Participating Authority based on the actual expenses (supported by documentation such as time sheets, compensation forms, and invoices) directly attributable to the services provided by the Elections Administrator. The exact amount of each Participating Authority's obligation under the terms of this Contract shall be calculated after the election (or runoff election, if applicable); and, if the amount of an Authority's total obligation exceeds the amount deposited, the authority shall pay to the Elections Administrator the balance due within 30 days after the receipt of the final invoice from the Elections Administrator. However, if the amount of the authority's total obligation is less than the amount deposited, the Elections Administrator shall refund to the authority the excess amount paid within 30 days after the final costs are calculated.
